**LOCAL NOTES.**

Try some of Overlock's fresh boiled tripe.

Frisbie B. Logan has been appointed postmaster at Yuma.

It cost Pima county \$20,000 last year for court expenses.

Don't suffer from dyspepsia. Take Simmons Liver Regulator. It always cures.

A number of chlorides are at work and are finding considerable gold in the Arivaca district.

James Hopkins died in the county hospital at Tucson yesterday. He was a miner aged 51 years.

Silver City, New Mexico, is excited over the report of a discovery of lithographic stone near there.

To think "nothing ails" you is a symptom of dyspepsia. Take Simmons Liver Regulator.

News came from Washington that Emil Salignac, Chinese inspector of this district, has been removed.

I suffered from biliousness, indigestion, etc. Simmons Liver Regulator cured after doctors failed.—W. D. Bird.

Frank B. Austin, formerly of Tombstone, is acting as justice of the peace in Phenix and has his court full of business.

The Phenix Gazette libel cases will not be tried beginning the 3d of January as intended. Instead they will come up in March.

In Sonora, Don Ricardo Johnson, says the "Constitution" of Mermozillo, sold his share in the famous Colorado mine for half a million dollars.

A mining man named Vanderbilt struck a foot vein of \$75 dollar gold ore in his claim near Prescott last Christmas day. He was so elated that he took his men in town and paid their board for a week and gave them a lay-off on full pay.

**A Correction.**  
ED. PROSPECTOR:—Lest the public be wrongly impressed with yesterday's article in the PROSPECTOR regarding the suit of Scott White against the county of Cochise for sheriff fees for the second quarter of 1893, allow me to state that suit was brought by him for \$4091.36, being the amount of his bill. Judgment was rendered for \$2,697.34 and \$191.40 costs. This shows that the county is \$1,202.40 net winner by the suit, and not loser as the article implies.

WM. C. STAHLKE,  
District Attorney.  
Jan. 7, 1894.

**Experience.**  
Experience teaches not only weakness, but strength and the value of good remedies such as ALLCOCK'S PAIN EXPELLERS. This is what C. D. Fredericks, the well known photographer of New York, says:

"I have been using ALLCOCK'S PAIN EXPELLERS for twenty years, and found them one of the best of family medicines. Briefly summing up my experience, I say that when placed on the small of the back ALLCOCK'S PAIN EXPELLERS fill the body with nervous energy, and thus cure fatigue, brain exhaustion, debility and kidney difficulties. For women and children I have found them invaluable. They never irritate the skin nor cause the slightest pain, but cure sore throat, coughs, colds, pains in side, back or chest, indigestion and bowel complaints."

BRANDRETH'S PILLS are safe, and sure.

The program of the Teachers' Institute at Tucson continued for the opening exercise yesterday "The Star Banged Banner." Even Old Glory is adorned with bangles in Tucson.

Is it said that the Armour Packing Co. is contemplating the establishment of a packing house in Nogales, Sonora, where can be put up for Mexican consumption the beef of Sonora. The low price of cattle there should make that industry a profitable one.

During the epidemic of la grippe, Chamberlain's Cough Remedy took the lead here and was much better liked than other cough medicine.—H. M. Blang, druggist, Chatsworth Ill. The grip is very much the same as a very severe cold and requires precisely the same treatment. This remedy is prompt and effective and will prevent any tendency of the disease toward pneumonia. For sale by druggists.

A cigar dealer named Jones was arrested by J. H. Behan yesterday at Phenix for having two boxes of un-stamped Mexican cigars in his possession. He had received them by express from El Paso after being smuggled across the border, so it is alleged.

The persistent cough which usually follows an attack of the grip can be permanently cured by taking Chamberlain's Cough Remedy. W. A. McGuire of McKay, Ohio, says: "La Grippe left me with a severe cough. After using several different medicines without relief, I tried Chamberlain's Cough Remedy which affected a permanent cure. I have also found it to be without an equal for children when troubled with colds or croup. 50 cent bottles for sale by druggists."

Before Justice Austin Wednesday, says the Gazette, there was a warrant for the apprehension of Z. H. Taylor, charged with the commission of rape upon the person of — Fowler, a female aged ten years. Taylor not being in the city, Rev. Christy, pastor of the Free Methodist church, was, at his own request, deputized by the sheriff and started by the first train for Yuma, where Taylor had gone. He lived in Tucson and Tombstone for many years, coming to Phenix about three years ago. He has been acting as agent for the Bankers' Alliance, an insurance company.

Attest  
NAT HAWKE,

About a year ago I took a violent attack of la grippe. I coughed day and night for about six weeks, my wife then suggested that I try Chamberlain's Cough Remedy. At first I could see no difference, but still kept taking it, and soon found that it was what I needed. If I got no relief from one dose I took another and it was only a few days until I was free from the cough. I think people in general ought to know the value of this remedy, and I take pleasure in acknowledging the benefit I have received from it.—Madison Mustard, Otway, Ohio. 50 cent bottles for sale by druggists.

**In Olden Times**  
People overlooked the importance of permanently beneficial effects, and were satisfied with transient action; but now that it is generally known that Syrup of Figs will permanently cure habitual constipation, well informed people will not buy other laxatives, which act for a time but finally injure the system.

You will seldom need a doctor if you have Simmons' Liver Regulator handy.

A Niece of Charles Reade, Miss Amy Reade, is proving herself an inheritor of at least some of her distinguished uncle's talent. The clever circus story, "Ruby," is from her pen, and she is now at work upon a novel to be called "Zermua."

LORD TENNYSON is busy writing the life of his father at his Isle of Wight residence of Farringford. Hallam Tennyson sounds better than Lord Tennyson, but it comes much easier to call him by his title than to use it speaking of the poet, whose dignity it derogated from.

MISS GRACE DENIO LITCHFIELD, whose charming stories have endeared her to so many people, is still in wretched health, as a result of a long-ago attack of gripple, and will seek the benefit of the southern California climate this winter. Miss Litchfield has a large fortune in her own right, and her literary work is all a labor of love.—Harper's Bazar.

**A Gentleman**

Who formerly resided in Connecticut, but who now resides in Honolulu, writes: "For 30 years past, my wife and I have used Ayer's Hair Vigor, and we attribute to it the dark hair which she and I now have, while hundreds of our acquaintances, ten or a dozen years younger than we, are either gray-headed, white, or bald. When asked how our hair has retained its color and fullness, we reply, 'By the use of Ayer's Hair Vigor—nothing else.'"

Ayer's Hair Vigor, and very soon, it not only checked any further loss of hair, but produced an entirely new growth, which has remained luxuriant and glossy to this day. I can recommend this preparation to all in need of a genuine hair-restorer. It is all that it is claimed to be."—Antonio Alarum, Bostrop, Tex.
